Suspicion of irregularities in relation to implementing partner supported through PlanBørnefonden, Togo

Reference is made to the previous report dated 29 January 2021.

The local implementing partner has taken necessary disciplinary measures and has returned the amount of DKK 68,039, which was found to be mishandled.

PlanBørnefonden and Plan International Togo will continue the planned efforts to strengthen financial management capacity of the partner. The partner was placed under Plan International Togo guardianship for six months while implementing a compulsory capacity building plan.

The Ministry of Foreign Affairs thus regards the case as closed without loss of Danish funds.

Yours sincerely,

Hans-Henrik Christensen
